# WORK EXPERIENCE AGREEMENT

STUDENT AND COMPANY OBJECTIVES	
Specific Objectives of the Placement and Competency Development	
The competencies that the student would like to develop further are identified as follows. Also indicate the activities that will be used to develop them.	
The following are examples and should be changed to reflect the specific student's needs.	
Competency:	Management
Activities/Learning Outcome:	Coordinating several projects like engineering, sales etc. ensuring these projects are running and information is being spread accordingly whilst keeping Zale up to date.
Competency:	Collaboration
Activities/Learning Outcome:	Using a project management tool like Monday.com, and meeting with several departments in different time zones. Ensuring success in an online environment.
Competency:	Leadership
Activities/Learning Outcome:	Identify bottlenecks, take lead in the project to find new useful information. Which helps the project progress, whilst ensuring employees are content and efficient.
Objectives to be performed by the intern benefiting the Company	
Objectives/ deliverables:	Ensure Zale is up to date with all activities across multiple time zones

## Onboarding For Students at Local Grown Salads

It is important for you to remember that our Student Work Experience is a pro-active learner-focused experience. Ask yourself;  
"What do I want to learn?"

Note: Before filling out this form ensure that you have met with someone from Local Grown Salads.

If there are questions that are not applicable to you or you feel uncomfortable answering them you can leave it blank or if an answer is required type "n/a"
